20th & 21st July 2018

DATE

Creative Industries Precinct, QUT

Exchange

**2018 Annual State Conference
Queensland Art Teachers Association**

The Queensland Art Teachers Association State Conference for 2018 will create opportunities for the exchange of ideas, knowledge and practice. QATA exists because of the engagement and contribution of our members. Our primary goal is to connect arts educators, galleries, industry and artists. This year's conference will provide opportunities to exchange what we know, and to work together to meet the demands of educational change while maintaining visible and vital arts programs throughout Queensland.
